3. Committee Reports:

a. Chair (& Newsletter) - Jeanne Seidler brought up subject of Nancy Kranpitz's intention to stay on as editor of the newsletter. It was noted in discussion how much Nancy's contribution in editing the newsletter means to our organization. [I believe she's been doing it for at least 25 years and probably longer. D.P.] Nancy asked for articles and photos about meets within 5 days following those meets. Dick Pitman moved to accept report; Melodee Nugent second. Report accepted unanimously.

b. Fitness, including Wisconsin Water Warriors. Melodee Nugent reported that 20+? swimmers participated from various parts of the state. Melodee reported that \$490 was spent on awards presented to winners of 5-year age groups in this event. Motion was made by John Bauman to limit expenditure of awards to \$500 based on Fitness Officer's discretion. Steve Justinger second. Motion passed unanimously.

c. Coaches - Fred Russell reported that he has names and contact info for most or many Masters coaches in the state. Fred addressed the push by USMS for Coaches Certification. Jerry reviewed his experience at one of the Coaches Clinics. With regard to the USMS Spring Nationals held in Greensboro, Fred Russell stated that the breaks between relays/ races were too short, forcing swimmers to swim back-to-back relays without hardly any rest/recovery. Also, Fred objected that swimmers are not being immediately informed of the reason for DQ. Fred has given that feedback to USMS. Moved to accept report by Dick Pitman; seconded by John Bauman; motion passed unanimously.

d. Open Water - Julie Van Cleave was not present. There was brief discussion of Open Water topics discussed at Convention. USMS is strongly supporting Open Water events. John Traynor, of Illinois, presented the general results of the GLOWS series of Open Water Swim in the Great Lakes Zone. The Great Lakes Zone is the only zone in USMS that offers this type of competition for "Top O/W swimmer in the Great Lakes" by our usual formula for results - i.e., gender, age, etc. He was touting it as a model for the rest of USMS to follow.

e. Officials - Sue [formerly Zblewski] Wagner was not present. See above: discussion on officials under Coaches.

f. Registrar - John Bauman reported that we have 518 registrations for 2012, which is down slightly from 2011 when we had 549. Fred Russell moved to accept report; Jerry Lourigan

second. Report accepted unanimously.

g. Safety - Jerry Lourigan, reported on discussion at Convention of safety issues in the pool and open water. Safety Plans from pool meet/open water event directors are absolutely required. Dick Pitman moved to accept report; Fred Russell second. Unanimously accepted.

h. Sanctions - Eric Jernberg was absent but said he intends to continue as Sanctions officer. He requests that sanction requests be sent to him as soon as possible. He reports that sanction requests have come with "urgent" pleas for quick turn-around and he doesn't think that's necessary. Event directors should allow at least ten days for their requested sanction. Dick Pitman motioned to accept; John Bauman seconded; motion to accept Sanction officer's report passed unanimously.

i. Secretary - Suzi Green not present. Discussion of having a standing date for future Annual Board Meetings ensued. John B moved to set the date as the Saturday following the Annual USMS Convention. Fred Russell seconded. Motion passed unanimously.

j. Top Ten - Jeanne Seidler reported the SCY 800-FR Relay Men in the 65-69 were All-American, LCM. Relay was composed of Art Luetke, Greg Hollub, Don Jackson and Dick Pitman. Also, the SCY Men's 400 MR composed of John Bauman, Fred Salzman, Alex MacGillis, and Tom Michelson.

j. Treasurer - Financial Report - Ingrid Stine not present. For Ingrid, John reported that the book balance for WMSC is \$16,677.56. Still waiting for Jerry L's expenses from convention. Discussion of Financial Reports by year. Jerry L moved to accept report; second by Dick Pitman. Passed unanimously. John passed out, for Ingrid Stine (absent), the WMSC Travel Expense Reimbursement Policy as a Motion to Accept. No Second acknowledged. Motion was unanimously passed.

k. Webmaster - Jeanne Seidler - upgrade coming to WMSC website. Website continues to cost \$10/month (e.g. \$120/year). Motion from Chair to accept; Dick Pitman second. Motion passed.

Old Business:

1. Project to Id and collect swimmer stories for USMS history. No progress. Continued planning. Dick Pitman had indicated in 2011 an interest in working on this.

2. Interim board meetings: January (post-Pabst Farms meet) and September (post convention). Motion made to codify the dates of these meetings - e.g., immediately following Pabst Farms meet; and the first Saturday after Convention. This was suggested so board members can make arrangements in their schedule in order to attend these meetings.
3. Board members should attempt to make most, if not all, swim meets.
4. All board members asked to review job descriptions on USMS website and detail more exactly what you do, or think you should do.
5. Jeanne wanted to amend By-Laws for Vice-Chair and Past Chair. No change of by-laws can be made except at the Annual or Semi-Annual Board Meeting, *which is why it's imperative that board members be in attendance at these meetings.*
