

Southeastern LMSC
Annual Meeting, February 1, 2020
Auburn, AL

Chris Powers called the meeting to order at 5:30pm

1. Welcome from the Chair and introduction of officers

Officers present:

Chris Powers, Chair, Coaches Chair
Michelle Smith, Vice Chair
Sara Wolf, Registrar
helen naylor, Treasurer, OW chair

Other Board members present:

Conner Bailey, Sanctions (Competition) Chair

2. Reading, correction, and adoption of minutes from the last meeting

Minutes from 2019 Annual meeting were presented. After a motion and 2nd, the minutes were unanimously approved. These can be found on the Southeastern LMSC webpage

3. Reports of officers

Reports from officers present were summarized and presented at the meeting. All reports are attached

A. Chair, Chris Powers (attached): The chair highlighted items from his report.

B. Vice-Chair, Michelle Smith (no report)

B. Treasurer, helen naylor (attached) The treasurer gave a brief overview of the 2019 financials and 2020 budget. Discussion of several budget items was discussed, followed by a motion and second to approve the 2020 budget. The 2020 budget as attached was approved.

D. Registrar, Sara Wolf (no report)

E. Secretary, Laura Ladd (no report)

4. Reports of committees

A brief overview of committee reports from competition (sanctions) and OW were presented. Michelle Smith will be our new coaches chair. Full committee reports submitted can be found attached

A. Competition, Connor Bailey (attached) Conner noted that 16 competitions and one open water clinic were sanctioned or recognized during 2019. Our LMSC has developed a strong reputation for open water swims. We had 10 SCY pool meets but only two LC and one SCM meets.

- B. Top 10/Records, Rick Schumacher (attached)
- C. Communications & Webmaster, Barbara Calhoun (attached)
- D. Fitness, open position (no report)
- E. Coaches, Chris Powers (attached)
- F. Open Water, helen naylor (attached) helen went through the 3 OW events held last year, Rat Race, Bridges to Bluffs (which was also the OW marathon distance national championship) and Swim the Suck. All 3 events were very successful.

She noted that we will have 1 new event to USMS in 2020, Swim Hobbs Island, and 2 events that will be dual sanctioned, Rat Race and Swim Hobbs Island. She worked with USA Swimming to create a document describing the process for dual sanctioning an event. This can be found on our LMSC website.

- G. Officials, Frank O'Dell (attached)
- H. Distance / postal (no report)

5. Old business

We discussed changing the name of our Zone name. Conner Bailey noted that if you accidentally go to dixiezone.com, instead of dixiezone.org (our zone website), it is a white supremacist website. Names suggested in previous discussions included Magnolia zone and Humid zone. All were in favor of the name change and following up with our zone chair, Ed Saltzman, for zone discussion.

6. New business

Chris shared the power point presentation from the National Office that our Zone chair had sent out to the LMSC chairs for discussion. A lengthy analysis followed that brought up more questions than answers. Chris will compile our questions and send to Ed Saltzman.

7. Resolution and Orders

The new Subvention policy was discussed and ratified. Board noted that we will work with any established meets that will struggle without financial assistance. Several suggestions and procedures were discussed and will be revisited should this be needed. We do not want to lose meets if preventable due to financial hardships.

The meeting was adjourned at 6:40pm

Chair report for Annual meeting

We revised the subvention policy this year, which was passed at a meeting in September. Our stopping the subventions to events that have been in existence for more than 3 years will allow the LMSC to continue to support new events over time.

We are planning to restart the free LMSC stroke clinics this Year with 2 planned. One will be in Knoxville and the other possibly along the Gulf coast in Pensacola or Destin area. The first one we did was a huge success at Auburn and hope to continue that trend but only doing one a year after 2020.

We are looking to fill two board positions again and they are Long Distance and Fitness respectively. Please contact me if you are interested in either one of these committees.

At convention this year the National Office convinced about half the LMSC's national to early adopt the Unified Fee. This new fee for master swimming moves the money for convention hotel expenses to the national office and gives us \$12.00 per member by raising the total fee to \$60. Currently we are getting \$10 per swimmer but we lose our autonomy and control of the budget. Plus, the National Office wants to offer different groups price discounts for the same service you pay full price for. That would mean the person next to you in the lane only paid \$20 for a membership and you paid \$60. We oppose the unified fee but, we may not have a choice if voted in at convention. We are continuing to collect data from the early adopters to see if we can determine the effect on our budget.

The National Office also approved a clinic course for coach's based on our recommendation to use Memphis, TN as the host city. They were recommended because they are in need of help to foster growth by creating new clubs and promoting USMS activities. We are looking into ways that the LMSC can help as well.

Please submit your clubs for Gold Club as soon as possible. The USMS search engines pull the Gold Clubs first when recommending a place to swim.

We welcome your thoughts on our programming and governance of the LMSC.

Respectfully,

Chris Powers

Southeastern LMSC Treasurer's Report for 2019

helen naylor

February 1, 2020

2017-2019 Financials

The 2019 financial report is on page 2, as well as on the website. After the election, the financials for the past two years needed to be recreated. In doing so, I discovered that none of the One Event Membership checks had been deposited in 2018. Given the LMSC had already been billed for the national portion of the fee in 2018, I reached out to all the event directors who had One Event fees. All were able to determine that the 2018 checks were not deposited, and all but one recut and resubmitted those checks. Much appreciated to those hosts for doing so.

I also found a couple other discrepancies in subvention payments, but one has been rectified and the other probably will be this year. Again, we appreciate those hosts being willing to work with us.

As a result of now having the financials for the past 2.5 years, the board opted to update the subvention policy. The primary goal is to allow the LMSC to do provide more opportunities for our members while still providing support for new meets and events. The updated policy was sent out to all current event hosts and is posted on the website.

2020 Budget

The purpose of the Budget (page 3) is to approve allocating funds for events, policies, and programs. The goal of the Board will be to come in at or below budget! We do have some money in the bank right now, thus the deficit budget for 2020. The plan is to spend that down over the next few years and then get to a sustainable income/expense relationship (aka, balanced budget) with a reasonable reserve (usually two years of operating expenses).

Below, I've highlighted some of the bigger changes in income and expenses as compared with 2019 expenditures.

Income:

- ✚ We are estimating similar income to 2019, excluding the additional revenue from one event registrations last year, as discussed above.

Expenses:

- ✚ USMS Fees: We have added a new open water (OW) event this year, Swim Around Hobbs Island, which is reflected in the sanctioning fee increase. Per the subvention update, the LMSC will cover the sanctioning costs for any pool or OW events that meet the criteria.
- ✚ Subvention payments: With the updated subvention policy, the board elected to help ease the transition for our established meets by treating all events as if 2020 was their "third year."
- ✚ Coaching & LMSC clinics: The board is hoping to host 2 stroke clinics (one in Knoxville with the University of Tennessee coaches, and one in Florida, potentially in conjunction with a USA Team event). We are also hosting an officials clinic at the Auburn meet this weekend for anyone who would like to know more about or potentially become a USMS official.

If you have suggestions for additional programming or educational opportunities, please let the board know so we can consider in future years.

Please let us know if you have any questions, as they are always welcome!

Respectfully submitted
helen naylor

Report of the Competition Committee for 2019

Southeastern LMSC
Conner Bailey, Sanction Chair
February 1, 2020

During calendar year 2019 there were a total of 16 competitions and one open water clinic held within our LMSC (details on page 2). Of these there were:

- ✚ 10 SCY meets (6 sanctioned, 3 recognized)
- ✚ 2 LC meets
- ✚ 1 SCM meet
- ✚ 3 Open Water events
- ✚ 1 clinic

One sanctioned pool event was cancelled due to low registration numbers.

By month, we have events 10 out of 12 months, missing only April and July.

Geographically the competitions were distributed as follows:

- ✚ Alabama: 5
- ✚ Florida: 2
- ✚ Tennessee: 9

Tennessee held 8 competitions and one clinic, with OW, LC, SCY, and SCM. The panhandle of Florida and southern Alabama had only three competitions. Mobile and Memphis are major cities in our LMSC with no competitions and limited activity within Masters swimming. Huntsville, AL has a new 50 meter pool but has not yet organized a Masters meet.

We have relatively few LC or SCM meets, another gap in our competitive offerings. Kudos to NAC for holding up that end of the spectrum.

We developed a strong reputation in OW events. Swim the Suck has a national reputation. In 2019 Knoxville Open Water Swimmers hosted the USMS Marathon Distance National Championships.

Recommendations:

- ✚ Actively pursue Huntsville as a venue for a July LC meet
- ✚ Reach out to swimming communities in Memphis and Mobile to identify opportunities to expand USMS activities in those to metropolitan centers.

Respectfully submitted,

Conner Bailey
Sanctions Chair
Southeastern LMSC

Report of the Top Ten Recorder
Rick Schumacher
Prepared on January 18, 2020
Presented at the annual Southeastern LMSC meeting

As Top Ten Recorder, my responsibilities are two-fold:

1. Process results from sanctioned and recognized pool meet held in our LMSC. This involves the following tasks:
 - a. Receive Meet Manager software output file from meet director, upload results to the USMS database, review and correct the individual swimmer and relay audit exceptions, and – when necessary – work with the meet director to resolve various issues (eg, specific questions about swim times, registration or name irregularities, etc.
 - b. Work with Meet Director to ensure pool measurements are valid. This consists of looking up the pool to see if a pool measurement form is necessary and, if so, ensuring that the Meet Director properly completes and submits the pool measurement form to me. For a new facility, I will forward the pool measurement form to USMS for review, approval, and addition to their central certified pool course database.
 - c. Work with Meet Director to determine whether there were any one-event registrations, and if so, communicate accordingly with LSC Registrar.
 - d. Communicate with other LMSC officers when meet results are processed and complete, so that subvention (when applicable) can be paid.
 - e. The objective is to upload and complete the 4 steps above within 2 weeks of a given meet. I have found that for sanctioned meets, this is very straightforward, and each meet typically takes 1-2 hours to review and process. For recognized meets – particularly large “Senior Games” events – this can be more involved, because the underlying participant data hasn’t been validated beforehand (ie, swimmer names, USMS valid id’s, birth dates, etc.). This causes many exceptions to be kicked out in the USMS database, which then have to be individually researched. I have recently begun communicating with meet directors of recognized meets *before* the event to guide them on areas to be particularly careful of, which appears to have improved the quality of data that comes to me.
2. Prepare Top Ten reports (both individual and relay) for each season: SCY (Short Course Yards), LCM (Long Course Meters), and SCM (Short Course Meters) and ensure they are submitted before the deadline of each season (SCY – June 30; LCM – Oct. 20; SCM – Jan. 26).

The Top Ten Recorder has no role in open water events. The position itself requires modest computer skills and an eye for detail, along with being responsive to ensure deadlines are met.

I held the Top Ten Recorder role for the duration of 2019.

During the 2019 calendar year, we had 12 sanctioned or recognized meets. All results were processed promptly. All Top Ten reports were submitted on time.

2019 Pool Meets

1. 2019 Kyle Parker Invitation, 1/18-20/2019. 11 members, 19 non-members. Results upload 2/2/2019.
2. 2019 Dixie Zone SCY Championships and Auburn SCY Invitational, 2/16-17/2019. 190 members. Results uploaded 3/2/2019.
3. 5th Annual Sewanee SCY Invitational, 3/9/19. 77 members. Results uploaded 3/16/2019.
4. 2019 NAC Masters LC Summer Solstice Meet, 5/11/2019. 60 members. Results uploaded 5/13/2019.
5. Alabama State Senior Games, 6/8/2019. 5 members, 1 non-member. Results uploaded 6/17/2019.
6. 2019 Ensworth Aquatics Masters Long Course Summer Soiree, 6/22/2019. 48 members. Results uploaded 7/1/2019.
7. Tennessee Senior Olympics State Finals. 6/25-26/2019. 29 members, 44 non-members. Results uploaded 10/12/2019.
8. 2018 Muffins & Mimosas Masters Swim Meet, 8/10/2019. 23 members, 1 non-member. Results uploaded 8/20/2019.
9. Southern Regional Championships (Collegiate Club), 10/5-6/2019. 14 members, 228 non-members. Results uploaded 10/14/2019.
10. ESMS OktoberSplash Invitational, 10/19/2019. 54 members. Results uploaded 10/22/2019.
11. 2019 Dotty Whitcomb Memorial Turkey Dip Swim Meet, 11/16/2019. 23 members. Results uploaded 11/24/2019.
12. 9th Annual NAC Masters Sprinting Turkey Classic, 11/23/2019. 141 members. Results uploaded 12/7/2019.

Southeastern LMSC Top Ten results from 2019 SCM (currently in draft form, not officially approved by USMS), LCM, and SCY seasons follow. The Southeastern LMSC had 48 LCM (long course meters) and 72 SCY (short course yards) Top Ten swims. (SCM Top Ten lists had not yet been submitted at the time of this report.)

Communication Committee

(Newsletter and website)

Barbara Calhoun

Our intent is to publish quarterly, on a semi-regular basis. We welcome photos and stories, and story ideas, from our members! Since this is the 50th Anniversary of USMS, please send us any stories or pictures about the early years of the group and we will publish them throughout the year.

Our intent is to ensure a broad representation of news from our entire LMSC. Our editorial deadline is about two weeks prior to each issue, and we can provide that information, going forward, to anyone interested in submitting content. In each issue, we include the following information:

- LMSC issues/meetings/convention happenings, new rules, etc
- Upcoming meets
- Special events
- Any other news and tidbits from our members (awards, certification classes, clinics)

Coaches Committee Report

Chris Powers

Currently this position has been in transition and a new chair is being sought.

Southeastern LMSC Open Water Committee Report 2019

helen naylor, chair

February 1, 2020

In 2019, we had three open water events, all in various parts of the Tennessee River, all downstream:

- 🏊 Rat Race. Stan Corcoran, race director. 2.4 and 4.5 mile swims
- 🏊 Bridges to Bluffs. Jack McAfee & Blaik Ogle, race directors. 10K (6.2 miles)
- 🏊 Swim the Suck. Karah Nazor, race director. 10.2 miles

The 13th Annual Rat Race was held on June 1st. We had over 150 swimmers, with a little over 100 of those swimming the 4.5 mile event and the other 50 plus swimming the 2.4 mile event. A new record! If anyone wants to venture into open water, i highly recommend this as a first event. Entries are open... It is lots of fun. Since it is early in the season, it will give you a chance to get ready for the longer events later in the year 😊

Next up was Bridges to Bluffs on September 21st. This event also served as the US Masters Open Water Marathon National Championship. This was the 3rd year of the event and the initial 100 slots sold out in under 12 hours. They added a wait list and filled that up too, adding an additional 75 slots. Once again, a very successful race, and a good time was had by all!

The final open water event of the year was the 10th Annual Swim the Suck, held October 12th. This event is on a lot of Open Water swimmers "bucket list" and sells out very quickly. If you want to do it this year, i hope you were online earlier today, as the 115 entries for this race usually sell out in about 15 minutes! If you didn't enter, there is a wait list, as things happen between Feb 1 and October and a few slots may open up.

In 2020, we will once again have all three races above, and have added a new event to the sanctioned open water stable, Swim Around Hobbs Island. This event will be dual sanctioned with USA Swimming, and will offer three different distances, a 1, 2, and 5 mile option. Unlike the others, which are usually all downstream, the first half of each distance will be upstream, so you'll have the current to help get you home. This means that all 3 Triple Crown Races are now USMS sanctioned (Hobbs Island, Bridges to Bluffs and Swim the Suck)

Details and links to event sites and registration are below. Order listed is by registration date, not event date!

- ✚ 14th Annual Rat Race: <https://chattanooga-swimfest.org/>
 - ❖ Sunday, May 31, 2020
 - ❖ Registration is open (opened January 20, 2020)
 - ❖ This year, we will be at Chester Frost and the course will be 3 miles (1 mile square loop)
 - ❖ This race will also be dual sanctioned with USA Swimming
- ✚ 11th Annual Swim the Suck: <http://www.swimthesuck.org/>
 - ❖ Saturday, October 12, 2020
 - ❖ Registration is open (opened earlier today (February 1st at 11am CST)
 - ❖ 10K (6.2 miles)
- ✚ 4th Annual Bridges To Bluffs: <https://knoxvilleopen-waterswimmers.squarespace.com/information>
 - ❖ Saturday, September 13, 2020
 - ❖ Registration will open on (or around) March 1st
 - ❖ 10.2 miles
 - ❖ This race may be dual sanctioned with USA Swimming
- ✚ 6th Annual Swim Around Hobbs Island: <http://www.teamrockettri.org/swim-hobbs-island/>
 - ❖ Saturday, September 20, 2020
 - ❖ Registration will open on April 15th
 - ❖ 1, 2, and 5 mile options
 - ❖ This race will be dual sanctioned with USA Swimming

Respectfully submitted
helen naylor

Report of the Officials Committee for 2019

Southeastern LMSC

Frank Odell, Official's Chair

February 1, 2020

2019 saw rolling out of more and more direction from the National Officials Committee. They have developed concise guidelines for training and certifying officials for USMS sanctioned meets.

This is a link to the Officials Training and Certification guidelines:

<https://www.usms.org/volunteer-central/guide-to-local-operations/event-management/officials/training-and-certification>

Here is a link to the spreadsheet listing all the individuals who are now certified USMS officials.

https://www.usms.org/-/media/usms/pdfs/guide%20to%20operations%20-%20gto/officials/officials_certifications.xlsx

We held a successful Officials Clinic at the February, 2020 meet in Auburn, AL with 3 masters members in attendance.

Future challenges are

- Improve publicity of Official certification guidelines to all teams and Meet Directors to build a more complete database of area officials to help in running meets.
- Have more frequent Stroke, Starter, and Referee Clinics at meets, or by Zoom meetings.

Respectfully submitted,

Frank Odell

Officials Chair

Southeastern LMSC
