

# The Distance Fly Virtual Challenge

Monday, May 1 - Friday, June 30, 2023

Albany Armada Aquatic Masters

Swim Meet Registration

---

**Sanctioned by the Pacific Masters for USMS, Inc. Sanction #383-S008**

Ever wondered whether you could swim distance fly? Now's your chance to find out!

The Distance Fly Challenge allows you to be timed, in your own SCY, LCM, or SCM pool, for the 500 fly, the 1000 fly, or yes, the 1650 fly -- or any combination of those events -- and then compare your times to others throughout our LMSC and even USMS!

1st, 2nd and 3rd place finishers in each category in each gender and age group (18-24 women, 25-29 men, 30-34 women etc.) will receive a special event ribbon; all participants (unless they opt out) will receive a special, 1.5" diameter "distance fly survivor" button to proudly display on their swim parka!

## **Rules:**

1. In water start, no diving allowed.
2. Must be a member of USMS and follow [all USMS rules for the butterfly stroke and turns](#). (see p. 3 of linked document)
3. The Distance Fly Challenge can be swum in a 25-yard (SCY), 25-meter (SCM), or 50-meter (LCM) pool, but splits and final times must be converted to SCY using the [swimswam.com Classic Converter](http://swimswam.com).
4. All events for the Distance Fly Virtual Challenge must be swum on or between May 1, 2023-- June 30, 2023. All results must be submitted by July 15, 2023.

5. Online entries only.
6. Swimmers may enter times for the 500, 1000, or 1650 fly, or any combination of the three.
7. You may swim each event as many times as you want for faster times, but only one entry, with times for one, two, or all three events, will be accepted per swimmer.
8. Cost - \$10 for one event, \$15 for two or more events.
9. Event 1: 500 SCY Butterfly Event 2: 1000 SCY Butterfly Event 3: 1650 SCY Butterfly
10. You may time yourself or have someone record your time, though having someone else record your time is highly recommended for the 1000 and 1650, as you will need to record and submit your splits at 500, and 1000 yards. You may use the [one-hour virtual swim split sheet posted here](#), or another one of your choosing.

For self-timing, a pace clock, stopwatch or smartwatch must be used. If you use a pace clock, add ".99" to your documented time. For times submitted with no tenths or hundredths, .99 seconds shall be added to the time submitted. Event director reserves the right to remove any incorrect results.

Submission of a split sheet is not required unless the swimmer is applying for an individual record. However, split sheets may be requested for verification so keep your split sheets until final results are posted. If a requested split sheet is not provided, the individual's entry may be disqualified.

11. No more than 2 swimmers splitting the lane allowed (no circle swimming).
12. The 500 butterfly, 1000 butterfly, and 1650 butterfly are **separate events** and you need to **swim each event separately**. Split times from the 1650 may not be used for the 1000 or the 500 events, and split times from the 1000 may not be used for the 500.
12. Participants must follow their facility guidelines for social distancing and COVID-19 precautions during the event. For your reference, the CDC guidelines for aquatic venues can be found at: <https://www.cdc.gov/coronavirus/2019-ncov/community/parks-rec/aquatic-venues.html>
13. Age groups: In open water and virtual swims, the eligibility of a swimmer shall be determined by the age of the swimmer on December 31 of the year of competition, except for 18-year-olds, who must be 18 on the day that they swim.
