

# 2018

Thank you for registering for the Jovan Vavic Water Polo Camp, Inc. Enclosed you will find information regarding camp arrival information as well as Medical Release Forms.

The Medical Release Forms need to be filled out and mailed back to us at the address on the form. Please note that we must **Receive the Medical Release Form prior to your child's arrival.** There is an area for the doctor to sign acknowledging that your child is healthy. Most doctors will sign the form as long as your child has had a physical in the past year. For those of you in high school, you can write in your doctor's information and then attach a copy of your high school physical. Please do this as soon as possible as the offices of many schools close once school is out and then you will not have access to this information.

Camp will start Monday morning at 8:00am. For those of you that would like to come Sunday evening and did not sign up for it, please send me an email and I can change your reservation as well as bill the credit card on file.

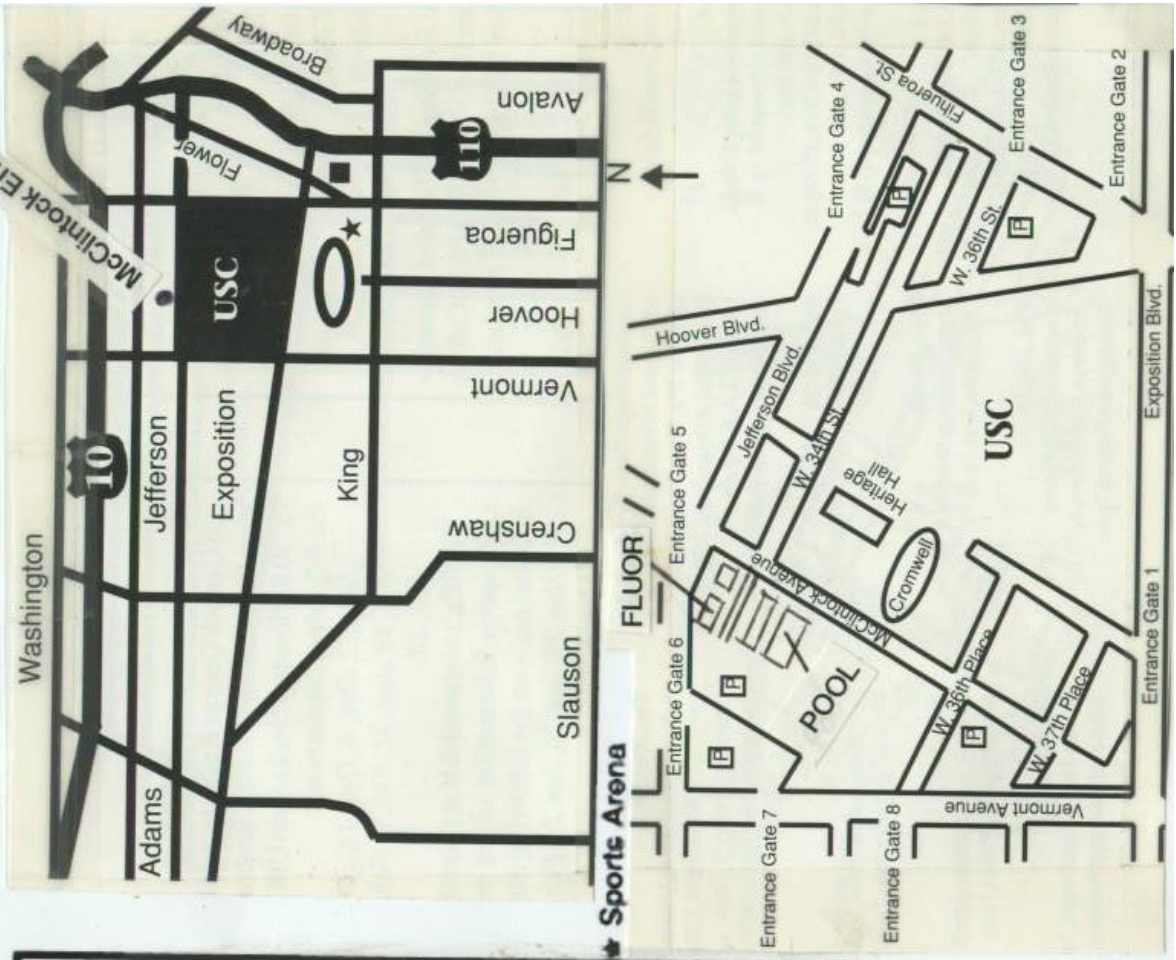

I will be sending out more detailed information on your arrival as well as a point of contact for those who are flying and or arriving early on Sunday afternoon. As always you keep my cell phone handy for all questions, concerns and Flight Change information.

As the Jovan Vavic Water Polo Camp approaches we would like to go over a few things. We look forward to seeing you soon!

**SPENDING MONEY**

It is suggested that athletes bring spending money to the camp. Neither the Camp nor the University will be able to cash a camper's personal check. If traveler checks are used, the campers needs to have ID in order to cash them at local stores. We suggest that the parents and campers discuss the camper's responsibility regarding their weekly spending money budget. Borrowing between campers is not recommended.

Many campers may want to purchase souvenirs at the local bookstore. We do not police the spending habits of the campers and feel that learning to handle a limited amount of spending money and budget well is part of the camp experience. The athletes may go to the USC Bookstore with the Camp Counselor one day of camp.

**LAUNDRY**

Coin operated clothes washers and dryers are located on each floor of Fluor Towers.

**TELEPHONE MESSAGES**

Telephone messages for Athletes may be left by calling Fluor Towers at (213) 740-2651. Messages will be put on a message board. You may also call Lisa Vavic at (310) 993-8550 and I will contact your child's camp counselor. Athletes may use the Public phones in the lobby.

## PARENT VISITS, HOME SICKNESS AND TELEPHONE CALLS

Parents are welcome to observe any of the Water Polo practice sessions from the stands above the Uytensu Aquatic Center. As a courtesy, we ask that parents identify themselves to a staff member if asked. Parents will not be permitted on the pool deck or deck bleachers. Parents are not allowed to stay at Fluor Tower nor take meals in the cafeteria. If a parent wishes to eat with their camper, they may request permission to take the Athlete away from camp at dinner time. With written permission from the parent or guardian, a camper may leave camp with someone other than his or her parent. We will require positive identification prior to allowing any camper to leave the supervision of the camp setting.

### **4. Commuters –**

Commuters need to arrive each day by 8:30 am and camp will finish at 6:00 pm Monday through Thursday. On Friday camp finishes at 1:00 pm. Jovan then has a meeting with the campers and they are usually ready to leave campus by 1:30 pm.

Commuters are served lunch everyday along with the Residential campers. Feel free to contact me with any questions.

### **5. Dormitory Keys –**

Please note that the keys that campers are issued must be returned prior to the athlete leaving campus. **If for any reason your child does not return the keys to the front desk at Fluor Tower you will be charged \$250.** It is the responsibility of the parent to make sure that the keys are turned in. The campers are reminded of this numerous times and for the most part the campers do a good job of turning in their keys.

Sincerely,

Lisa Vavic
