

ADULT LEARN-TO-SWIM REGISTRATION FORM

Thank you for your interest in Indy Aquatic Masters' **Adult Learn-to-Swim program**. In conjunction with the **US Masters Swimming's Adult Learn-to-Swim program** who has endorsed the American Red Cross "Five Competencies," we will provide each swimmer with the skills needed to save themselves in an emergency situation. These skills include entering water over your head, treading water, swimming 25 yards unassisted, having the ability to exit water after swimming, and exiting without a ladder. We do this by providing a program that has a 1 to 3 instructor to student ratio, and is tailored so that once a skill is mastered, you automatically progress to the next level. All adults are welcomed from those who have a fear of the water to those who wish to learn how to swim faster and better.

INSTRUCTIONS

1. Complete the information on both pages of the Registration Form and indicate your payment option. The lesson pricing is below.
2. Submit this registration form to Indy Aquatic Masters, P.O. Box 30145, Indianapolis, IN 46230. Enclose a check, if applicable, made payable to *Indy Aquatic Masters*. You may also scan / email your form to billing@indyaquaticmasters.com.

PROGRAM LEVEL (check one): **Beginners** **N/A Intermediate** **N/A Advanced**

Beginners (Level 1): This is a beginner level class for swimmers with little or no experience. We will cover the basics of swimming strokes and water safety including overcoming fear of the water, floating, gliding, stroke introduction, and deep water skills.

Not Available. Intermediate (Level 2): This is an intermediate-level class for swimmers with moderate experience who are already comfortable in the water. We will focus on skill development, including breathing, building endurance, deep water comfort, and treading water. Strokes will also be developed.

Not Available. Advanced (Level 3): Level 3 swim lessons are ideal for the swimmer who wishes to further develop their swim technique and efficiency. These participants are looking to compete in triathlons or join a Masters program. Participants will explore flip turns, stroke refinement, and alternate breathing techniques. Use of training tools such as pull buoys, kickboards and hand paddles will also be introduced. Offered at Butler and Warren only.
