

December 12th, 2021

The following practices have been cancelled suddenly this week (12-13 to 12-17) due to a staffing shortage related to COVID-19 quarantines and isolations among facility staff:

### **IU Natatorium**

- No 11:30 am practice Monday, December 13th.
- No 5:30 pm practice Wednesday, December 15th, and Thursday, December 16th.
- No 11:30 am practice Friday, December 17th.

We understand practice [cancellations](#) may be frustrating. However, our facilities are doing the best they can to maintain adequate staffing given the increase of COVID-19 infections occurring within the community at large and the associated quarantine/isolation requirements. Please consider other alternative practice times/locations if your usual practice is cancelled.

### **IAM COVID-19 Update:**

We received a report from a member who tested positive for COVID-19 this past week. This member was fully vaccinated and showing no symptoms. Members affected for potential exposure were informed directly. We thank everyone for their cooperation.

### **Reminders**

- Wear masks while in our facilities when not in the water and social distance at least six feet while in the pool.
- Please inform us at [info@indyaquaticmasters.com](mailto:info@indyaquaticmasters.com) if you test positive for COVID-19 and have attended practices.
- Pay *close attention* to the [calendar](#), [website](#), and your email for sudden changes in the practice schedule.
- As always, follow the [CDC guidelines](#) if experiencing symptoms, test positive for COVID-19, or have been exposed to COVID-19.

The health and safety of our members, coaches, and facility staff is our highest priority. Help us keep swimming in our pools. Thank you for your attention and cooperation.
