USMS LMSC Top Ten Recorders

Date: October 30, 2021

Enclosed is the preliminary 2020-2021 Top Ten for Long Course Meters. Please compare this to what you sent me and send all corrections to me by Nov. 21, 2021.

Please check through this so we can find problems BEFORE printing the final version. Check for any duplicate names, relay-team duplicates or any other errors. Pay special attention to the NV (not verified) times which are times that are faster than the official record. Some of these may be errors. They could be correct times but belong in another event.

The preliminary top ten will be published on the web at our Top Ten web site. You can reach it by going to www.usms.org and going to the bottom of the page under the Events column and clicking "Top 10". There you will find a link to the Top Ten web site. We would like as many people as possible to get involved in the proofreading. So, tell your friends.

I want to thank all the LMSC Top Ten Recorders for all the excellent work they did to make this possible. A special thanks to Mary Sweat, who assisted in compiling this course.

If you are no longer the Top Ten Recorder for your LMSC, please send me updated information (name, phone numbers, email).

The best way to send corrections is by email to:

topten@usmastersswimming.org or mbwswims@comcast.net
