

## **George Coxhead, man of many new records**

*As many of you may know, SwimMAC Carolina has a Facebook page. This article appeared on their page.*

SwimMAC Carolina Masters swimmer George Coxhead had an outstanding short course meters (SCM) meet this past weekend. George, always a hard practice swimmer, is also a fierce meet competitor. Having just aged up to the 60-64 age group George set his sights very high. Tensions were high at the meet in Charlotte on October 28 as he looked to take down records from a few of the most notable Masters swimmers in the state.

George did not disappoint. Here is a recap of his new state records.

- 50 back - old record 40.86, George demolished it with a 36.22
- 50 fly - old record 32.34, George put the beat-down with a 31.69
- 100 IM - old record 1:14.68, George squeezed in a record with a 1:14.62
- 200 IM - old record 3:00.92, George performed an aquatic assault with a 2:46.77
- 200 free - old record of 2:29.14, George manhandled it with a 2:25.10

Congratulations to George for a tremendous meet.
