Subject: Fwd: USMS 2015 Nationals Hotel Reservations

Hello Masters,

With all this chilly weather, it's nice to think ahead to USMS Nationals in San Antonio, TX next April 23-26. USMS has a meet page up and running and the order of events and qualifying times are up there already too. I have attached the meet brochure and the meet information will be out soon. Time to get inspired. The road to San Antonio starts here :)

Coach Russell, and a few of us have considered the hotel options listed on the brochure and we have selected the **DRURY INN** at 15806 1H-10 **as our team hotel this year**. It is on the meet courtesy shuttle route, offers a free breakfast each day and a two hour manager's reception with complementary cocktails and snacks each evening. On some days they even have a free lunch. Seems the right fit for a group like ours. There's a fast ride to the riverwalk area in San Antonio and a quick jaunt to the pool on the northwest side.

We are not booking a WI Masters group block as the hotel prefers we book within the USMS block already established (rates valid Wed to Monday). With this in mind, we **HIGHLY recommend that those who are even considering the meet, BOOK YOUR HOTEL ROOM TODAY!** This is an ideal location and rooms will book fast. You can always cancel your reservation if your plans change. Next week, we will also be releasing this information to the whole WI Masters group in the hopes they can join us at the Drury Inn, but EBSC should take the opportunity to select their rooms first! **The number to book your room is 1800-325-0720 and the group is under 2015 Spring Nationals GROUP NUMBER 322936.**

There are both suites and basic rooms. King and double queen suites are \$109 per night and basic kings and queens are \$99. Each room has a fridge and microwave as well.

So, what if you haven't even really considered Nationals yet? Here's a few tidbits that will fill in some gaps...

1. WI has taken 45+ swimmers to the Nationals meet in the past. Many of your teammates are likely planning on attending.
2. You do not need a qualifying time to swim the meet. You may sign up for 3 events and relays without a special time cut. This is not an elitist swim championship. Everyone should feel welcome to attend and compete.
3. You will fit in! WI Masters team has grown each year and likely will be filled with swimmers just like you! We generally plan meals together, relays together and get to know great and inspiring people from our own state while we place top 5 in the country!
4. People travel in all varieties. Some bring family or significant others, some travel single, many share rooms, some stay the whole weekend and some stay only a couple days of the meet. Travel plans are up to you, but we sure would love to have you there!

Hope you will plan to join us in Texas this spring!
