

U.S. Masters Swimming Recognition and Awards ***Swimmer gives back—and gets recognized!***

Members of U.S. Masters Swimming don't confine their participation to the pool. There are many volunteer opportunities for their talent, expertise, and generosity. USMS recognizes the commitment of those who give back with the Dorothy Donnelly Service Award, named to honor one of USMS's outstanding volunteers. The award recognizes those whose contributions stand out in service to local, regional, and national programs. Up to 15 people are selected each year and nominations come from Local Masters Swimming Committees, clubs, and individuals.

Elyce Dilworth has been a continuous member of the Wisconsin LMSC and U.S. Masters Swimming for at least 15 years and a member of the USMS Finance Committee since 2006, a year after attending her first U.S. Masters convention in 2005. Since 2013, she has served as Chair of the USMS Audit Committee for the organization while simultaneously holding positions on the USMS Investment Committee. Using her knowledge of accounting and controls, she is the one that audits the financial records for the Wisconsin Local Masters Swim Committee. Elyce has always pitched in when needed, and her steady work makes her a role model for other volunteers and an appropriate recipient of the 2017 Dorothy Donnelly Service Award.

About U.S. Masters Swimming
