Wisconsin will be fielding a team to attend the LCM nationals, but details have not been decided yet.

If you are interested in attending the meet as part of the Wisconsin team, there are 2 things you should do.

First, contact Fred Russell by email at ebcsfredrussell@yahoo.com.

Second, make sure you are registered as WMAC.

Any other registration will not allow you to participate and score points for Wisconsin, nor will you be eligible to participate in relays. If you are not sure about your registration, contact Trina Schaetz at WIRegistrar@usms.org to verify your team registration.

Remember, you do not have to have any time cuts in order to participate in USMS nationals. Everyone is eligible to swim 3 events. If you have 1 time cut, you can swim 4 events, if you have 2 time cuts you can swim 5 events, and if you have 3 or more time cuts you may swim up to 6 events. You also do not need to swim all days of the meet. Participate as much as you are able to, but join the team fun and comradery.
