

BOBBY MCCRACKEN

10U Coaching Staff

Bobby has been around the Newport Beach aquatic community since he was nine years old. He played water polo for Newport Beach Water Polo for some of the best coaches the sport has to offer, including Ross Sinclair, until making the difficult decision to leave water polo to pursue a career as a Newport Beach Lifeguard. Bobby coached for NBWP from 2016-18 as a 12U Assistant Coach along with Marco Palazzo, taking his team to place third in the San Diego County Cup in 2017. In addition to coaching, Bobby has spent six years as an ocean lifeguard, two of them in the Junior Lifeguard program. You can now find him in the lifeguard truck down by the Wedge!

Bobby is very excited to be back coaching the 10U CoEd team and looks forward to this season. Feel free to contact Bobby directly for private lessons.
