

H²Owls Fall Invite

**November 19th, 2022
Kennesaw State University Pool
Kennesaw, GA**

Entry Deadline: November 11, 2022, 11:59PM

Warm-Ups: 11:00AM

Meet Start: 12:00PM

Facility Information:

Kennesaw State University Pool, Dr. Betty L. Siegel Student Recreation and Activities Center

Address: 290 Kennesaw State University Road NW, Kennesaw, GA, 30144

The Kennesaw State University Pool is an indoor, 8-lane, 25 yard pool. The pool measures 10 feet deep on the diving side and 4 feet deep on the opposite. Our pool has passed CCS sanctions and is approved, so times from this meet will count towards nationals! We will be using 7 lanes, and are currently planning on using only 5 lanes for competition.

Deck space is limited and we do not have bleacher seating, so we highly recommend bringing folding chairs or extra towels for seating!

Parking: Plan on parking in Visitor Lot B- parking is \$3.00/per hour with a \$12 maximum. Payments can be made on parkmobile or at a pay-per-plate kiosk in the parking lot. **NOTE: I'm working to see if there is an option to get free parking for the meet, but for now I would plan on paying the fee. I'll send out an update if there's any changes!

Address: 295 Kennesaw State Univ Road NW, Kennesaw, GA, 30144

Directions from I-75 South:

Take exit 271 towards Chastain Road, keep right at the fork. Merge onto Chastain road and keep straight (you'll drive past a large/tall Kennesaw State University sign), then take the right after the first stoplight onto Kennesaw State University Road (there's a smaller Kennesaw State University sign on a low wall), then follow street signs for a right and left hand turn into the visitor parking lot/parking lot B. The parking lot will be directly in front of the front entrance to our rec center.

Directions from I-75 North:

Take exit 271 towards Chastain Road; keep left at the fork (use the second from the left lane), then keep straight on Chastain Road (you'll drive past a large/tall Kennesaw State University sign), then take the right after the first stoplight onto Kennesaw State University Road (there's a smaller Kennesaw State University sign on a low wall), then follow street signs for a right and left hand turn into the visitor parking lot/parking lot B. The parking lot will be directly in front of the front entrance to our rec center.

Facility Entrance:

Going through the front entrance of the rec center (the large staircase immediately in front of the visitor lot), you'll walk into a large lobby. Head to the right of the lobby and there will be a side entrance door to the pool labeled for the swim meet- this will be well in front of the turnstiles so you don't need to worry about going through those!

All team members will be required to fill out our facility waiver before entering the pool- this will be sent to all teams separately!

Swimmers may not enter any other part of the recreation center, including the outdoor beach volleyball courts behind the pool.

Check-In:

Check in will begin at 10:30AM. There will be a table at the entrance to the pool for teams to check in once they arrive. Here we will confirm that all members have filled out waivers, and can pay the meet fees. Once checked in, teams can find an area on the pool deck to set up.

We're planning on having a president's meeting at 11:40! This will be confirmed in the groupchat closer to the meet.

Concessions: We are planning on selling concessions! There will be a table selling concessions in the wet classroom, which is located out the pool doors to the right of the locker rooms (there will be signs on the day of the meet)! We also ask that (per facility rules) swimmers eat in the wet classroom or the hallway just off the pool deck. Otherwise there are 3 water fountains located on the pool deck.

Locker Rooms: Swimmers will have access to the locker rooms- they are located out the back doors to the pool, on the left hand side (we will also have signage for this)! We ask that swimmers leave the child/family locker rooms on the right free unless they have a personal reason they need such accommodations. Swimmers are not to use any of the facility lockers.

Spectators: We are not currently allowing spectators- this may be subject to change depending on how many entries we receive, but due to limited space we are unlikely to be able to accommodate extra people. If you have any non-swimmers who would be interested in serving as volunteers at the meet, please contact Naomi Israel directly.

Meet Schedule:

Warm-up is scheduled to start at 11:00 AM, with the meet starting at 12:00PM. We will have a president's meeting at 11:40AM in the wet classroom.

Depending on the number of teams we have entered, this timeline may change. 2 lanes (lanes 2-3) will be open for continuous warm-up throughout the meet. Lanes 4-8 will be used for competition and will only be open during the meet warm-up and during breaks.

Entry: Entries would be preferred on the accompanying HYTEK file- entries will be accepted on an excel spreadsheet with a fee of \$5.00 per swimmer. If your team has issues with the HYTEK file, please reach back to our email or to Naomi Israel (president). In the event we have to cap the meet, priority will be given to teams who submitted their entries first.

Entry Fees: Entry fees will be \$15.00 per swimmer, with a cap at \$390.00. Payment will be accepted in cash, check (addressed to KSU Swim Club), or Venmo (@KSU-SwimClub). All payments must be completed prior to the start of the meet. There can be no scratches the day of the meet, and teams will still be charged for members who sign up for the meet but do not attend.

Event Limit: Swimmers will be limited to 4 individual events and 2 relays. In the event that few swimmers enter the longer events, men's and women's heats may be combined.

Entry Deadline: Entries must be submitted by November 11th at midnight.

Events List:

Women's Event Number	Event	Men's Event Number
1	200 Medley Relay	2
