**Approval of Minutes**

- The minutes from the October board meeting were approved.

**Discussion re. Workout Cancellations**

- The board discussed the recent cancellation of swim workouts due to very high AQI resulting from the Camp fire. The board agreed that it was in the best interest of swimmers and coaches to cancel workouts when the AQI was above 200. Stu will check the AQI and put out a notice of cancellation 30 minutes prior to a workout.
- The city, in conjunction with the Yolo County Health officer acknowledged that outdoor activities should be cancelled while the AQI is in the unhealthy range.

**Finance Report**

- Allan reported on the financial standing of the club.
- Allan reported that he will develop a 2019 budget. Notably what will be different for 2019 and could affect the budget is that there will be no End of Summer Splash, and the Berryessa swim will include the national championship 2 mile race.
- The board voted to replenish the Community Service Fund back to \$1500. Funds will be transferred from the General Fund. This is due to the \$1500 contribution that DAM made to the Redding Aquaducks.

- Stu reported on the workout attendance which was 967 for the month of October.
- Stu announced that Brute Squad was underway and a lane would be dedicated to those who want to participate.
- Stu undertook necessary steps (insurance, Grand Prix awards) in preparation for the holiday party.

- Stu and Mary hosted a successful butterfly clinic in Davis.
- Stu and Mary are acting as liaison for a pool dispute between RINC and TeamSheeper.

#### **Other Business**
