

USMS ALTS Certification, Clinic Course for Coaches and a Stroke Clinic are coming to Coeur d'Alene

Hello Fellow Swimmers,

We hope you can join us for some exciting educational opportunities that are coming to your region.

[USMS Clinic Course for Coaches](#)
Sat. & Sun., March 30-31
2-part course

[LEARN MORE](#)

This course instructs the Masters coach how to conceptualize, organize and deliver a stroke development clinic for swimmers. This course is only available to registered USMS certified coaches and may be taken along with the Level 1-2 course.

USMS Stroke Clinic
Sunday, March 31
8 a.m.–12 p.m.

[LEARN MORE](#)

USMS stroke development and improvement clinic for swimmers of all abilities. The goal is to help swimmers improve stroke technique and teach drills that will enable the continued refinement of strokes.

USMS ALTS Instructor Certification
Saturday, March 30
8 a.m.–3:30 p.m.

[LEARN MORE](#)

An adult learn-to-swim instructor-certification course which incorporates the most effective training methods to ensure the certified instructors have the tools to successfully teach an adult to swim and become safer in the water.
