Request for Financial Assistance for PNA Meet Entry Fees

The Pacific Northwest Association of Masters Swimmers wants to make sure that the benefits of USMS membership are available to all, regardless of swimmers' ability to pay. To that end, PNA is teaming up with the Wiggin Fund managers to provide financial assistance toward USMS/PNA Meet Entry Fees for those who request it.

The Wiggin Family donated funds to PNA to honor the memory of Rear Admiral (USN ret.) Fred Wiggin (1916-1991), a longtime PNA member and competitor. The Fred Wiggin Fund was created to provide financial assistance to help members fully participate in Masters swimming and its programs and activities.

To apply for this financial assistance for meet entry fees, please complete the form or scan and email to: pnregistrar@usms.org.

- If granted, meet entry fees assistance will be in the form of a Discount Code which will be input during the online entry process.
- This code is for the Wiggin Fund grantee only and only for the meet entry requested.
- Use of this code by a person not allowed to use it will result deletion of their meet entry.
- Use of this code for another meet, besides the one listed below will result in deletion of the non-authorized meet entry.
