

# High Point Rules

---

1. The high point awards honor the top two male and female swimmers in each age group.
2. To be eligible swimmers must be PNA registered and swim in more than one race.
3. Points for each event are awarded based on swimmers place in their division (age, sex, distance, wet suit/no wet suit) for that race. A swimmer's high Point points will be the total of all points accrued in all events. Rankings are based on total points within an age/sex division.
4. If a swimmer ages up during the season, points accrued in the younger age division will follow the swimmer to the older age division. The swimmers final ranking will be in the older age division
5. "Points per place are allocated as follows: 1st-22, 2nd-18, 3rd-16, 4th-14, 5th-12, 6th-10, 7th-8, 8th-6, 9th-4, 10th-2"
6. One-Event swimmers are not eligible, even if they pay the One-Event fee more than once.
