

To: All Attendees of the Sharks Swim Team Awards Banquet

I would like to thank you for attending this year's swim team awards banquet. This is always a great way to finish the season. The Sharks continue to be one of the best teams in the state. We finished fourth at the YMCA State and finished fifth at the Maine Winter JO's at Bowdoin College including some state records from Liam Sullivan, Tom Gallup & Leila Johnston. Thanks to everyone (swimmers, parents, y staff, community members, volunteers) that has an interest program that breeds success for all that participate.

The winter season saw the Sharks win dual meets against DEFY and PBAY at home and lose meets at LRSC and BYB. We had a large number of Sharks at each meet that saw many great races. New team records and new pool records are listed below. On Super (Aquathon) Sunday, we had almost 90 participants swim over 12,000 laps. So far we have collected about \$22,000 but we are still looking for more.

Beginning on April 28 the Spring Team will begin and the Summer Team will begin on June 16. Spring/Summer teams have ample practice time with quality coaching for Shark swimmers to compete in the summer meets or to prepare for next year. The plan will be to continue to work on strokes/starts/turns during the spring/summer for most swimmers and allow a few swimmers a chance, if they choose, to practice at an intense level for the summer months.

The highly popular Lenny DeMuro Swim Camp, will run from July 7 – 11 this summer. The Sharks Water Sports Camp will be from August 4 – 8. Information is available in the Y Summer Camp Brochure for both camps.

The Sharks continue to emphasize the four character values of the YMCA (Respect, Caring, Honesty, and Responsibility) through each practice and meet. We also continue to strive to be a program that all can be proud of each and every year for all that swim/volunteer during the course of the swim year. Please fill out the Youth Program Quality Survey online at [www.mdiymca.org](http://www.mdiymca.org). This evaluation will help the staff know what has been successful as well giving us some fresh ideas for next year's team.

We had many swimmers who just turned in Aquathon pledges in the past few weeks, we will make every effort to get the awards to you tonight or the near future. The Gift Cards have not arrived but should be here by the end of the week. Please email to inform of any items that you did not receive. In closing I would just like to thank everyone for the great season this year and only hope that next year is even better.

JIM

On Page 2, you will find the team & pool records that were set in 2013 – 14 season and the ASCA times. The ASCA Motivational Times go from 'AAAA' to 'B', with 'AAAA' times in the top 2% times in the country for that age group. The times go for age groups 10 & under up through 17-18.
