Re: Special Parking Instructions for Saturday, March 2nd & Sunday, March 3rd, 2013.

The Problem: There will be a hockey game on Saturday and an engineering expo during the weekend.

University Instructions:

1. The Parking lots of Dunn & Sky box will be closed all day on Saturday and Sunday.
2. The University is asking everyone to Park in Jenness Hall Parking Lot. Please follow the signs to proper parking location.
3. If any driver is not physically able to walk back from the assigned parking locations, please make arrangements for someone else to take the car over to the lot, or for someone else to follow the car over and bring him/her back.
4. There are handicapped parking places around the Gym for anyone with Handicapped Plate.
5. Attached is a map for your review.

** The Field House will be the location of the Engineering Expo and all are invited to attend. Athletes should be dressed appropriately when entering the expo.

PLEASE NOTE: FAILURE TO FOLLOW THESE INSTRUCTIONS WILL RESULT IN YOUR CAR BEING TICKETED & TOWED.

Thank you for your cooperation.
