

MIRA COSTA GIRLS WATER POLO BOOSTER CLUB 2018-2019

Booster Club Donations

Girls Water Polo at Mira Costa enjoys a strong tradition of athletic excellence, camaraderie, team building and girl power! Mira Costa Girls Water Polo is a non-cut sport, allowing girls from every grade – over 60 athletes -- to compete at all levels of play. However, if not for the hard work of our coaches and volunteers, and the generous monetary donations of our families and community sponsors, we would not have a Girls Water Polo Program. We hope that we can count on you to donate and volunteer so that we can continue the excellence and tradition of what we believe is the best athletic program in the South Bay!

Your donation will continue to fund the coaches off-season stipends, pool maintenance and equipment, in-season transportation, tournament fees, referee fees and in- and out-of-season assistant coaching costs, as well as team building experiences.

In order to meet Girls Water Polo Program costs, we are suggesting a donation of \$300 per athlete.

We understand that not everyone is in a position to give that amount, and that others can give more. While we understand that families have other booster club obligations, we hope you can give as generously as possible to this program. Any amount will be greatly appreciated. Your donation in no way affects your athlete's ability to participate in Girls Water Polo.

For Your Tax Records: you will receive a tax donation receipt from MB/X FOUNDATION.

You may donate online at <http://mbxfoundation.org/booster-clubs/booster-club-donations> or mail a CHECK payable to MBX Foundation with GIRLS Water polo in the memo line (preferred). Please return all donations by Friday, November 17th, so we can plan our amazing season. Thanks!

The **Mira Costa Girls Water Polo Boosters** operates under the framework of the MBX Foundation, which is a federal tax-exempt organization (FEIN 02-0603467). Donations to MBX, with Girls Water Polo (GWP) in the memo, go directly to the Girls Water Polo program and are tax-deductible to the full extent of the law.
